## Student / Parent Rules

Dear Parent,

In an effort to simplify how everything is done in **JUNIOR NINJA / TAE KWON-DO** classes we felt it necessary to introduce the following guidelines.

It is very important that they are observed, as it is the **Safety of Students** in mind that they are being introduced.

1. Please ensure that Students be present in the hall **5 minutes** prior to Class starting.
2. If a Student arrives **late** for class he/she **must** stay at the **back** of the hall until the instructor gives permission to join the class.  
This will prevent unnecessary accidents by just walking on to the floor.
3. It is not possible for **PARENTS** to remain in the hall during class as it inhibits the **attention** span of the Students and this is much exaggerated when there are **infants running around the Hall causing disruption to everyone concerned**.
4. In the Unlikely event of an Instructor **NOT** being able to handle a disruptive student after the initial period (normally 1 month) he or she will be deemed **not Suitable at this time** and the parent will be advised to try out the Student at a later date.
5. All Payments for class must be made prior to the class starting if You find that this is not suitable talk to the Instructor about term Fees. The maximum **Note** accepted for class payment is **€20.00** This will speed everything up allowing the instructor to give quality time to Students.
6. Please note that students are Liable for payment of Missed Classes. Classes are run on a Term to Term Basis. Term 1 is Sept – XMAS Term 2 is XMAS – Easter, Term 3 Easter – Summer.
7. Finally it is very important that Parents / Child Minders are aware Of class finishing times, as outside the Hall Instructors cannot be responsible. Please ensure that in the event of a delay that you phone your instructor straight away.

**Please sign below and return the bottom portion to your instructor at the next class**
